DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product provides up to 4 hours of protection from Mosquitoes, Black Flies, Stable Flies, Sand Flies, Gnats, Chiggers, Fleas, and Ticks. Convenient, easy to use towelette allows quick and thorough application to skin, hair, and clothing for maximum protection.

Read and follow all directions and precautions on this product label.

Wipe and spread evenly to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. When using on face, apply sparingly, avoiding eyes and mouth. Apply sparingly around ears. Do not allow children to handle this product. Do not apply to eyes and mouth. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds, or irritated skin. Also apply to clothing such as shirt, pants, hat, and socks. Do not use under clothing. For Chiggers and Ticks, apply to shirt and pant cuffs and socks.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent product with you.

NOTE: Will not damage cotton, wool, or nylon. Do not apply on or near acetate rayon, Spandex or synthetics other than nylon, furniture, plastics, watch crystals, leather and painted or varnished surfaces (including automobiles).

DIRECTIONS FOR DISPENSING: Remove lid. Pull towel from center of the roll and thread through underside of lid. Do not push finger through lid opening. Pull towel at 90° angle. Snap hinged cap back into place so towels stay moist.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-222-1222.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **CONTAINER STORAGE/DISPOSAL:** Store in an area inaccessible to children. Dispose of wipe in trash after use. Do not flush. Tightly close lid between uses to retain moisture. Do not reuse empty container. Offer empty container for recycling. If recycling is not available, thoroughly rinse empty container before discarding in trash.

MODO DE EMPLEO

Es una violación a la ley federal usar este producto en forma inconsistente con la etiqueta. Este producto provee hasta 4 horas de protección contra mosquitos, moscas negras, moscas de establo, moscas de arena, pulgas, ácaros y garrapatas. Conveniente, toalla fácil de utilizar, permite aplicación rápida y completa a la piel, el pelo, y la ropa para la protección máxima.

Lea y siga todas las instrucciones en esta etiqueta.

Esparza para humedecer uniformemente toda la piel expuesta. Use solo suficiente repelente para cubrir la piel y ropa expuesta. Evite uso excesivo. No se necesita saturar o aplicar varias veces para obtener efectividad. Cuando se usa en la cara, aplique frugalmente, evitando los ojos y la boca. Aplique frugalmente alrededor de las orejas. No permita que los niños utilicen este producto. No aplique en ojos o boca. No aplique en manos de los niños. Cuando se use en niños, aplique a sus manos primero y después frótelas en el niño. No aplique sobre heridas abiertas o piel irritada. También aplique a la ropa como camisa, a los pantalones, al sombrero, y a los calcetines. No use debajo de la ropa. Para Ácaros y Niguas, aplique a puños de camisa y jaleos y calcetines. Después de regresar adentro, lave la piel tratada con agua y jabón. Lave la ropa tratada antes de usarla otra vez. El uso de este producto puede causar irritación de la piel en casos raros. Si usted sospecha de alguna reacción a este producto, descontinúe su uso, lave la piel y llame al centro de control de venenos. Si va al médico, lleve el producto repelente con usted.

NOTA: No dañará algodón, la lana, ni el nilón. No aplique en ni en rayón cercano de acetato. Spandex ni sintético de otra manera que nilón, los muebles, los plásticos, cristales de reloj, el cuero y superficies pintada o barnizada (incluyendo automóviles).

DIRECCIÓN PARA DISPENSAR: Remueva la tapa. Estire una toalla del centro del rollo y hágalo pasar por la rajadura en la tapa. No empuje dedo por apertura de tapa. Estire la toalla a un ángulo de 90°. Asegúrese de cerrar la cejilla de la tapa para mantener las toallas húmedas.

DECLARACIONES PRECAUTORIAS PELIGROS A HUMANOS Y ANIMALES DOMESTICOS ADVERTENCIA

Causa heridas substanciales pero temporales en los ojos. Dañino si es ingerido. Evite el contacto con los ojos. El uso de este producto puede causar irritación de la piel en casos raros. Lave la ropa contaminada antes de volver a usar. Lave las manos antes de comer, beber, mascar goma, usar tabaco o el baño.

PRIMEROS AUXILIOS

SI ENTRA EN CONTACTO CON OJOS: Mantenga el ojo abierto y enjuague el ojo lenta y gentilmente con agua por 15 o 20 minutos. Remueva los lentes de contacto, si están presentes, después de los primeros 5 minutos. Llame al centro de control de venenos o al médico para que le aconsejen tratamiento.

SI ES INGERIDO: Llame inmediatamente al centro de control de venenos o al médico para que le aconsejen tratamiento. Haga que la persona beba un vaso de agua si es capaz de beber. No induzca vomito a menos de que lo indique el centro de control de venenos o el médico. No ponga nada en la boca de una persona inconsciente.

Tenga el producto o contenedor a la mano cuando llame al centro de control de venenos o al médico o cuando vaya por tratamiento. Para información adicional sobre este producto (incluyendo asuntos de la salud, emergencias medicas o incidentes de pesticidas), puede llamar a 1-800-222-1222.
